

A1. Nudge:

Thanks for showing up to the free live masterclass guys.

You can ignore this if you've already scheduled your discovery call.

This is your nudge to do it now if you haven't yet.

I hope you're all aware that the value you've just gotten will fade away pretty fast.

Here's the link for it: [LINK]

A2. Client Result:

I'm going to share Malachi's story with you guys.

He's in high school at the age of eighteen making money online as a complete beginner.

His first month was way higher than mine at \$5,600 after following all of my steps.

The only thing that makes him different is the decision to make a change.

You can schedule your discovery call right here: [\[LINK\]](#)

A3. Recap:

I'm sure most of you guys remember my offer after showing up for the free live masterclass.

I'll give a little reminder though for the ones in the back.

The Kickstarter provides you with one-on-one coaching calls, one-on-one access, group coaching calls, community, and course content.

The magnetic portfolio template is only one of the many bonuses included.

If you haven't got it working by the end of your timeframe, then I'll keep working with you free of charge, and that's my guarantee.

The only risk is never taking the leap.

N1. Nudge:

I know that some of you guys couldn't make it to the free live masterclass.

You're lucky that I've got a replay of it though: [LINK]

I'm just saying that it's not going to be up forever.

N2. Recap:

I'm going to give you guys a quick rundown of the free live masterclass.

Most people chase random side hustles that require risk upfront, an existing foundation, and sacrificing freedom.

My whole approach to making money online as a complete beginner is built around the phone in your pocket, being extremely beginner friendly, and giving you your freedom back.

I've covered absolutely everything when it comes to getting paid to post throughout it.

Here's the link which I'll only be keeping up for a little longer: [LINK]

N3. Pressure:

I just want to bring something to the surface for all of you guys.

You registered for the free live masterclass because you wanted to go from complete beginner to at least \$5,000 a month as a UGC creator with the paid-to-post method.

This is without risking upfront, needing an existing foundation, or sacrificing freedom.

It means there's nothing to lose, going all in becomes a rational decision, and it enhances your life rather than extracting from it.

I'm only mentioning this because I'm about to take down the replay: [\[LINK\]](#)
