3. Unique Mechanism:

SL: How does this even work?

PV: N/A

Hey {first_name},

I want you to understand my approach to making money online as a complete beginner now that you've registered for the free live masterclass.

I'll make it simple for you...

Most people chase random side hustles that require risk upfront, an existing foundation, and sacrificing freedom.

I've flipped the script by getting paid to post, which only requires a phone, is extremely beginner friendly, and gives you your freedom back.

It's all about shifting from one to the other.

The free live masterclass will show you how to go from complete beginner to making at least \$5,000 per month as a UGC creator with *the paid-to-post method*.

See you there.

4. Narrative:

SL: Purchasing my dream car after having been homeless

PV: N/A

Hey {first_name},

It was only six months ago that I was sleeping on a friend's floor, drilling wells for minimum wage, and sitting in a bunch of debt.

Everything changed for me when I stopped chasing random side hustles and started getting paid to post.

My first real sign of success was making \$4,800 in my first month with very little work.

I'm now making over \$20,000 per month and helping others replace their full-time jobs immediately.

I'll be revealing how you can do the exact same thing on the *26th of July*.

The ninety minutes that you spend on that [free live masterclass](#) could genuinely change the trajectory of your life.

See you there.

5. Future Pacing:

SL: This makes all the difference

PV: N/A

Hey {first_name},

Just picture waking up on a normal Tuesday and checking your phone to see payments hitting your account overnight.

You spend a few hours batching videos for the week and take the rest of the day for yourself.

This is literally the life that getting paid to post has created for me.

The difference between that and where you're stuck right now is simply the approach that you're taking to making money online as a complete beginner.

I'm giving you an opportunity to follow my path on the *26th of July*.

See you there.

6. Sneak Peek:

SL: I'll let you in on a little secret

PV: N/A

Hey {first_name},

Everybody's been asking what I'm going to cover on the free live masterclass.

Here's a sneak peek into the three pillars...

The first pillar is how to set yourself up for success in this current landscape.

This is all about framing yourself in a way that shows brands how valuable you are to them.

The second pillar is how to land retainer and commission deals with brands at your command.

This comes down to reaching out to brands and having them come to you with the offer of producing videos for them that generate social media attention.

The third pillar is how to consistently and predictably produce videos with viral potential.

This is just a game of putting existing frameworks, concepts, and formats that are already proven to work into use.

You will ultimately be learning how to go from complete beginner to making at least \$5,000 per month as a UGC creator with the paid-to-post method.

The cherry on top will be a Q&A for the ones that stay until the end.

See you there.

7. Objection Handling:

SL: Your prayers have been answered

PV: N/A

Hey {first_name},

I'm getting a lot of questions about the free live masterclass.

Let me speak into some of the big ones...

You might think that this is going to be costly to get started with.

The honest truth is that it doesn't require any equipment, subscriptions, or suppliers.

You might think that you need a following, skill, or product beforehand.

The actual reality is that starting with a blank slate actually works in your favour this time.

You might think that this is going to consume your entire life.

The thing is that it's all designed to be as accommodating as possible.

You might think that it's impossible to earn just from your phone.

The whole point of this is to give you the most output for the least amount of input.

You might think that you aren't going to manage without any experience.

The best part of this is that the effort and sacrifice is nothing in comparison to the returns.

You might think that the freedom side of things sounds too good to be true.

The claims that I'm making you are all backed by cold hard evidence.

I can guarantee that you'll walk away with more than you had to begin with either way.

See you there.

8. Addressing:

SL: Why am I making this free of charge?

PV: N/A

Hey {first_name},

I'm just going to be straight with you because I get asked this all the time.

The simple answer is that I have the choice between doing it myself and helping others as opposed to doing it myself or helping others.

I'm a player and a coach at the end of the day.

It also gives me the chance to learn from everybody who gets results afterwards.

See you there.

- Blaze

9. Reminder / Recap:

SL: It's game time

PV: N/A

Hey {first_name},

The day has finally arrived.

I'm going live at 7:00 PM EST.

Here's what I'll be covering tonight...

- How to set yourself up for success in this current landscape.
- How to land retainer and commission deals with brands at your command.
- How to consistently and predictably produce videos with viral potential.

I'll do a Q&A for everybody that stays until the end.

I've simplified everything so that you're ready to go within the span of ninety minutes.

Would going from complete beginner to making at least \$5,000 per month as a UGC creator with the paid-to-post method be worth that?

- Blaze

P.S. Join from your laptop in a quiet room for the best experience.

10. Reminder / Conviction Building:

SL: One hour left

PV: N/A

Hey {first_name},

Someone in your position is about to learn how to go from complete beginner to making at least \$5,000 per month as a UGC creator with the paid-to-post method.

They won't be any more competent or capable than you.

The only difference is that they decided to show up to the free live masterclass.

I'll be going live in just sixty minutes and walking through everything with you.

There will also be a Q&A going down towards the end.

I hope you know that there won't be another chance to catch this.

Most of the people that registered for it won't even show up.

They've told themselves that they can check it out another time, but they really can't, so don't be one of them.

See you soon.

- Blaze
