

### **1. Confirmation:**

You guys are officially registered for the free live masterclass this Sunday at 7PM EST.

I'll be dropping the link and pinning it to the description closer to the time.

It's worth blocking off about ninety minutes in your calendar too.

You can grab the magnetic portfolio template in the description as well.

## **2. Lead Magnet:**

Your free gift is ready by the way guys.

The magnetic portfolio template is pinned in the description right now.

### **3. Unique Mechanism:**

I want you guys to know my approach to making money online as a complete beginner.

Most people chase random side hustles that require risk upfront, an existing foundation, and sacrificing freedom.

I've flipped the script by getting paid to post, which requires a phone, is extremely beginner friendly, and gives you your freedom back.

I'll break down how this whole thing works inside the free live masterclass.

#### **4. Narrative:**

I went from homeless to purchasing my dream car in the span of six months.

Let me give you guys some context real quick.

I was sleeping on a friend's floor, drilling wells for minimum wage, and sitting in a bunch of debt.

My decision was to stop chasing random side hustles and start getting paid to post.

This made me \$4,800 in my first month without doing all that much.

I'm now making over \$20,000 per month and helping others replace their full-time jobs immediately.

I'll cover everything that you need to know about this inside the free live masterclass.

It's going to be an absolute game changer.

## **5. Future Pacing:**

I want you guys to picture something for a second.

Waking up, checking your phone, and having a couple payments hit your account overnight.

You spend some time batching a few videos and the rest of the day is yours.

This is what getting paid to post is all about.

The difference between that and your current lifestyle is literally just the approach that you take to making money online as a complete beginner.

I'm putting you onto this method inside the free live masterclass.

## **6. Sneak Peek:**

You guys keep asking me what the free live masterclass is all about.

Let me give you a sneak peek into the three pillars that I'll be going through.

The first is how to set yourself up for success in this current landscape.

The second is how to land retainer and commission deals with brands at your command.

The third is how to consistently and predictably produce videos with viral potential.

There's going to be a Q&A too for the ones that stick around until the end.

## **7. Objection Handling:**

I hope you guys are fine with me reading your minds real quick.

Is this going to be costly to get started with? You don't have to have any equipment, subscriptions, or suppliers.

Does this need a following, skill, or product first? Starting with a blank slate will actually work in your favor.

Will this consume my whole life? This is all designed to be as accommodating as possible.

Can I actually earn from just my phone? The entire point here is to get big outputs for small inputs.

Am I going to manage without any experience? The effort and sacrifice is nothing next to the returns.

Should I be suspicious about the freedom side of things? Every claim that I make is backed by cold hard evidence.

I'll get into everything else inside the free live masterclass.

## **8. Addressing:**

You guys have been asking me why the free live masterclass is free of charge.

The simple answer is that I have the choice between doing it myself and helping others as opposed to doing it myself or helping others.

I'm a player and a coach at the end of the day.

I also get to learn from everybody who gets results afterwards.

This is pretty much what's in it for me.

### **9. Reminder / Recap:**

Today is the day people.

I'll be going live at 7:00 PM EST and walking through the three pillars then doing a Q&A towards the end.

It's so clear and concise that you should be set after only an hour and a half.

Just make sure that you join from your laptop in a quiet room if you want to get the most bang for your buck.

I'm going to pin the link in the description and send it through a little later.

#### **10. Reminder / Conviction Building:**

The free live masterclass is going to be rolling within the next hour.

Someone in the exact same spot as you is about to get all the sauce.

The only difference between you and them is that they actually showed up for it.

Just remember that I'm running a Q&A at the end too.

You don't want to be one of those people who register but don't attend.

The link is pinned in the description but you can also get it here: [LINK].

**11. Reminder:**

I'm on the air as we speak.

The room's filling up quite a bit and I'm about to get into the first pillar.

Here's the link for it or check what's pinned in the description: [LINK]

## **12. Reminder:**

You guys have still got time to hop inside the free live masterclass.

I'm only wrapping up the introduction and getting into the first pillar right now.

The real value is about to start though.
